Application for Charter

We the undersigned applicants to and members of KIDabra International hereby petition for establishment and operation of an affiliated Chapter to be located in the general geographic areas of _____ and to be called _____. Our list of petitioners include at least 7 Primary and/or Associate KIDabra International members in good standing, which we understand is the minimum numerical requirement for the issuance of a Permanent Chapter Charter. If our credentials are found to be in order and if our plans are consistent with the goals and practices of KIDabra International, we understand that we will then be authorized to act as an official KIDabra International Chapter Affiliate. It is agreed that we will at all times represent KIDabra International by acting fully in accordance with the KIDabra International Constitution and Bylaws.
